See a plan contract for specific state of residence for complete terms, coverage, amounts, limitations and conditions. PPLSI provides access to legal services offered by a network of provider law firms to PPLSI members through membership-based participation. Neither PPLSI nor its officers, employees or sales associates directly or indirectly provide legal services, representation, or advice. IDShield provides access to identity theft protection and restoration services and plans are available at individual or family rates. A family plan covers the named member, named member's spouse or domestic partner and eligible dependent children. Consultation and Restoration Services are available for eligible dependent children under the age of 26. For complete terms, coverage, and conditions, please see an identity theft plan. All Licensed Private Investigators are licensed in the state of Oklahoma. An Identity Fraud Protection Plan ("Plan") is issued through a nationally recognized carrier.
